## A Note from the Chairman:

Once again Scott Construction has the contract in our town for seal coating and wedging. This year road projects consist of Mar-El Road, Morrison Road, Old Plank Road, Pouwels Court, Ryan Road, River Oaks Drive, Ridge Oaks Drive, Shirley Road, and Van Dreele Drive. All of these projects add up to more than five miles of roadway.

Due to annexations in the past, Ryan Road and Old Plank Road are the responsibility of both Rockland and the City of De Pere. I contacted the City of De Pere Public Works Director, Scott Thoresen, on the two roads and informed him of our intent to maintain our share of the road. I also gave him a copy of the Wisconsin DOT map showing the specific measurements for the Town of Rockland and the City of De Pere. After several discussions with him, his response was "the City doesn't do any chip sealing; we will just patch the roads when needed." So, on Old Plank Road we will chip seal our portion of roadway. Ryan Road will be chip sealed in sections between De Pere and Rockland. And due to the lack of cooperation with the City of De Pere, Ryan Road will have a hopscotch pattern.

This is an election year; remember election signs cannot be larger than 16 square feet per Rockland ordinance.

The Greenleaf Volunteer Fire Department Annual Picnic is on Sunday, July 17, 2016 at their park in Greenleaf. Please help support your volunteer fire department.

Have a great summer,

Dennis J. Cashman

**Hello Rockland Residents,**

**At the Monday, June 20th Town Board meeting, your board, Dennis Cashman, Alan Lasee, and Vicky Van Vonderen adopted the Resolution for Non-Support of the Southern Bridge. We understand that the Southern Bridge would have benefits to you; however we also believe we needed to send a message to De Pere regarding their tactics and that if a Southern Bridge is built near our northern border, we want to be able to develop according to our standards. The resolution states:**

**“Whereas, the City of De Pere has been unwilling to negotiate in good faith with the town of Rockland, Brown County, Wisconsin regarding a fair and reasonable border agreement; and**

**Whereas, the City of De Pere continues to exercise its unfair 3-mile extraterritorial land division review requiring minimum 10-acre land divisions within the Town of Rockland; and**

**Whereas, the City of De Pere uses a parcel within the town of Rockland as its border to designate the 3-mile review limit; and**

**Whereas, the City of De Pere negotiated a contract with NEW Water which prohibits the Town of Rockland from sewer service unless a landowner annexes to the City of De Pere for service; and**

**Whereas the City of De Pere’s unfair control of the Town of Rockland prevents its landowners and residents to exercise their property rights and negatively impacts the Town’s residents and landowners’ financial security;**

**Therefore, be it resolved, that the Town of Rockland, Brown County, Wisconsin opposes the City of De Pere’s attempt to locate a southern bridge until such time as they rescind their control over the Town of Rockland.**

**Be it further resolved, that the Town of Rockland, Brown County, Wisconsin asks our federal and state legislators to withhold any action on a proposed southern bridge until these issues are resolved.”**

**We sent this resolution to the media and to our local, state, and federal government officials and their respective agencies. If you have any questions or concerns regarding this resolution, please don’t hesitate to contact us. Our contact information appears on the front page of this newsletter.**

**Also, your Town Board meets every 1<sup>st</sup> and 3<sup>rd</sup> Monday of the month at 7:30 pm to discuss town issues. We always have an agenda item for “Public Input” where you can discuss your concerns regarding this resolution or any other town issues. Thank you for your support!**

**Chairman Dennis Cashman, Supervisor Vicky Van Vonderen & Supervisor Alan Lasee**

**Hi friends, well, summer time is here and with it comes Rockland’s annual road repairs. The full Town Board did a tour of all roads and overall, they are in pretty good shape. It’s always tough to pick out where the limited dollars should be spent. Some of the worst are adjacent to De Pere where we have on going issues with the city trying to get them to work with us to do the repairs. On Ryan Road and Old Plank Road especially, our Chairman, Dennis Cashman, has made several calls to the city to no avail. Apparently, they annex property, take to taxes, and say to heck with fixing the roads. On Ryan, where the school is, from Old Martin Road north we will seal coat .26 mile (ours), skip .18 mile (De Pere’s), then seal coat .18 mile (ours), skip .13 mile (De Pere’s) and then seal coat .01 mile. We are forced to do the same "hop scotch" on Old Plank Road. It is our hope that maybe someone in the city with HALF A BRAIN will see how stupid they look. As a result, we passed the motion above denying their resolution supporting the southern bypass bridge. Thanks for listening & have a great and safe summer! Supervisor Lasee**

**NEWS from Mary Van Dyck, Treasurer**

I want to thank everyone who supported our Electronics Recycling Day on April 30th. We collected 14,000 pounds of material. People were there already at 7:45 and continued all morning. We had a good group of youth and adults unloading cars and trucks. Everyone was unloaded in 5 minutes or less. The booyah and bake sale were also very successful. We are planning another E-recycling day next year. Save anything you have that has an electric cord. This includes hairdryers, vacuums, washers, dryers, stoves, TV's, household appliances, etc.

### **2016 Brown County Fair Entries Now Being Accepted Homebrewed Beer Added to the Competition**

Have you ever wondered how an item you made, baked, photographed or created would stack up against the same item made, baked, photographed or created by another individual? The Brown County Fair offers you the opportunity to find out by entering your baked goods, photographs, woodworking, knitting, etc. in the Fair.

The Brown County Fair offers youth, adults and senior citizens (age 62 and over) a chance to compete with others in the areas of Plant & Soil Science, Flowers, Knitting & Crocheting, Baking & Food Preservation, Photography, to name a few. Many more opportunities can be found on our website [www.browncountyfair.com](http://www.browncountyfair.com) under the Exhibitor Handbook tab. The entry deadline is July 15th. If you need help entering or have questions, call 606-5120.

Two years ago we added a division for homemade wines. Last year we added a division for homebrewed beer under the Natural Science Department. Just like last year, we will be offering fairgoers (21 and older) an opportunity to taste the wines and beer that are being judged. The wine and beer judging will take place on Wednesday night, August 17th. Tasting will follow judging. Entrants in the beer and wine competition will receive a pass for entry to the Fair on Wednesday so they can be present for judging.

Open and senior exhibitors are reminded that they may bring their items on Monday, August 15th from 6-8 p.m. or on Tuesday, August 16th, from 8:30-10 a.m. All open and senior entries must be received by 10 a.m. on August 16th. This includes all wine and beer entries. Judging will begin promptly at 10:30 a.m. unless noted otherwise.

To enter an item in the Fair visit the website at [www.browncountyfair.com](http://www.browncountyfair.com), click on exhibitor handbook and then "on line entries." Cost to enter as many items as you wish is a flat rate of \$4.

The fair is Wednesday August 17 to Sunday August 21. Advance tickets are \$9. At the gate tickets are \$12. Sunday gate price is \$5. Gate price includes carnival rides, entertainment, and parking. Wednesday is a Demo Derby, Thursday is a Truck Pull and music by Eminence, Friday is the PRCA Rodeo and music by Johnny Wad, Saturday is the PRCA Rodeo and music by The Wolfe Brothers and Petty Cash. On Sunday morning there will be a Polka Mass at 10:00 and a horse pull. Music on Sunday will be by The Sugarbush Boys.

**SLOGAN/LOGO CONTEST:** The Board would like to thank Matt Giese, a Rockland resident and owner of Someday Farms, LLC, for initiating and providing the financial awards for the slogan/logo contest. There were a number of great entries. After a review and recommendation from the Planning Commission, the Town Board chose the logo and slogan entries submitted by Jennifer Beyers. Over the next few months, watch for the new logo/slogan in the newsletter, on the website, and other materials distributed by the Town. Thanks again to Matt and to all of you who submitted entries for these contests!

## FIREWORKS

In the United States alone, an estimated 22,500 people will be treated at hospitals for fireworks injuries. Of that, 9,300 will be considered serious. 3,500 children under the age of 14 will also suffer their effects, in addition to 20,000 fires and 32 million dollars in property damage. 230 people a day visit emergency rooms around the months leading up to the Fourth of July. Firecrackers account for 32% of the injuries, sky rockets about 15% and sparklers 10%. Think sparklers are safe? Consider this; water boils at 212 degrees, a cake bakes at 350, wood burns at 575, glass melts at 900 degrees and a sparkler burns at 1,200 degrees.

Each year, the Greenleaf Volunteer Fire Department receives numerous questions on the legality of fireworks. Just because you can purchase them does not mean they are legal to use. In Wisconsin, statute 167.10 only allows "safe and sane" fireworks. Local ordinances may be even more restrictive than state statute. A few items that fall into this category and are allowed by law are stationary cones and fountains, snakes, caps, small smoke devices, confetti poppers and sparklers that are 36 inches or less in length.

As a general rule, if they move, explode or shoot into the sky, they are illegal. As an example, M-80's, firecrackers, and cherry bombs are illegal because they blow up. Bottle rockets, roman candles, torpedoes, skyrockets, aerial salutes, shells or other type devices cannot be used because they leave the ground.

Citizens may be able to use some of the above mentioned fireworks by obtaining a display permit from their local municipality. Be advised that before you do, it is likely that local authorities will require a certificate of (liability) insurance for a fireworks display and order that a professional licensed pyrotechnic host the show.

A few years ago the Fire Department responded to a grass fire that was caused when an explosive device was placed into a mailbox. The resulting fire spread quickly into the woods on the other side of the road and threatened a nearby home. Persons doing this type of vandalism can be held responsible for the damage they cause, the cost of fire suppression and can also be charged with a felony because mailboxes are a federal installation regulated by the U. S. Postal Service. In a similar incident, a youth in southern Wisconsin was killed by shrapnel from an exploding mailbox. Since fire departments do not have citation authority, enforcement of the firework detonation law is handled by the local police.

### When viewing a public fireworks show please keep these safety tips in mind:

Respect safety barriers that are setup and stay out of the areas that are roped off;

The best viewing of a show is from approximately ¼ mile or more away. Stay away from the firing site;

Leave pets at home because loud noises can scare and hurt their sensitive ears;

Leave your fireworks at home. What is safe in your backyard is not appropriate in a crowd; and,

If any part of a firework falls near you, do not touch it and move away from the area immediately.

Please take a moment to discuss the dangers of fireworks with the young adults in your life and closely supervise young children who are fascinated by them.

Finally, remember that the Greenleaf Fireman's Picnic will take place on Sunday, July 17th from 11 a.m. to 7 p.m. at Greenleaf Park on STH 32/57. This is the only fund raiser we have each year so think about making a donation toward the cause and come out and enjoy the day with us! Raffle tickets can be picked up at the Rockland Town Hall or from any firefighter.

## **A Note From Clerk Charette.....**

As I write this, primaries across the nation are concluding and we are moving into the fall election season. Tuesday, August 9th marks the start of the Fall Partisan Primary. Please see the sample ballot inserted in this newsletter to view the races and instructions on how to complete the ballot correctly. Here are a few other actions you can take ahead of that date to help our upcoming election go smoothly:

**NEW ELECTORS:** If you are new to Wisconsin, new to Rockland, or it is your first time voting, you will need to register. This requires you to complete EL-131, Wisconsin Voter Registration Application. You also are required to provide proof of residency that shows your current residence in Rockland. Some examples may be a license, a bank statement, or a utility statement that has your current address. Please go to [www.townofrockland.org/voter\\_registration.html](http://www.townofrockland.org/voter_registration.html) to view the complete list of acceptable documents.

Prior to Tuesday, August 9, 2016, you can register by mail or e-mail (must be received by Wednesday, July 26, 2016) or in person in the Clerk's office (please see the dates and times below). If I do not receive an acceptable Proof of Residence, I will mail the EL-131 back to you. So please remember to send a copy along. You may also register on Election Day, Tuesday, August 9th. Due to the expected high turn out for the fall elections, it is best to register in advance to avoid high wait times.

**PHOTO ID:** Except for indefinitely confined electors, all electors are required to provide a photo ID in order to receive a ballot. If you are voting in person, this cannot be a copy. It must be the original document. Please go to: [http://www.townofrockland.org/voter\\_registration.html](http://www.townofrockland.org/voter_registration.html) to view the list of acceptable photo IDs.

**ABSENTEE VOTING:** If you currently are a registered voter in the Town, you are welcome to vote absentee in any election. To request to receive an absentee ballot by mail you can: 1) go to our website, click on Voting and Elections and then Voter Registration and then print and complete the EL-121 application and then e-mail, fax, or mail the completed application back to me along with a copy of a valid Photo ID; or 2) Make a request for an absentee ballot via the [myvote.wi.gov](http://myvote.wi.gov) website. As long as I receive your application and Photo ID by 5:00 p.m. on Thursday, August 4, 2016, I can then mail you an absentee ballot. Please note, however, that ballots mailed out on Fridays or Saturdays will first go through Milwaukee before being returned to this area. Absentee ballots must be postmarked by Election Day, Tuesday, August 9, 2016, for them to count. Please consider this when making your request.

You are always welcome to vote in person absentee in the Clerk's Office as follows:

Monday, July 25th-Thursday, July 28th—8:30 a.m. to 12:30 p.m.

Monday, August 1st- 8:30 a.m. to 12:30 p.m. & 6:00 p.m. to 7:15 p.m.

Tuesday, August 2nd– Thursday, August 4th– 8:30 a.m. to 12:30 p.m.

Friday, August 5th 8:30 a.m. to 5:00 p.m.

If you are not registered, you can also register in the Clerk's office during these times or on Election Day. Please remember to bring a valid proof of residency.

**REDESIGN OF MYVOTE WEBSITE:** The newly redesigned [Myvote.wi.gov](http://Myvote.wi.gov) website is now ready to go. This is a great site to visit to electronically complete your registration form (EL131), to find your polling location, to view the acceptable documents for Photo ID and Proof of Residency, to see what is on your ballot; to view your voter activity, and to request an absentee ballot. It is a great resource so please take a look when you have the time.

**Volunteers Wanted:** Are you a Junior or Senior in high school? Are you looking for community service hours? Clerk Charette is seeking volunteers to work at the two upcoming elections on Tuesday, August 9th and Tuesday, November 8th. Duties would include greeting and assigning number to electors, making copies, and providing any other assistance required. Food and drinks are provided. This is a great opportunity to learn first hand what the election process is like. If you are interested in serving your community in this unique way, please contact Clerk Charette at [jcharette@townofrockland.org](mailto:jcharette@townofrockland.org) or call 336-2814. Thank you!

**ROCKLAND 4-H NEWS -**

Well, we were patiently waiting for summer - now it's here and we're so busy - we're wishing for "quiet" time already. Earlier in the 4-H year - we created Valentine cards for Angels Touch Assisted Care, get well cards to a fellow 4-H member, cooked, baked and served a Sunday dinner at the NEW Community Center in West Green Bay. Members represented our club at the county Foods Review. Our members Paris Riggie, Lauren Sroda and Magdaline Ewoldt were recognized for their entries. Members helped at the Rockland Electronics Recycling Event in April. At the May meeting we had everyone painting and decorating clay pots for planting flowers. Some members painted designs, some glued beads on, and some did both. Hopefully - pots went home and seeds were planted and watered and we have plants to take to the fair in August. We've already had 4-H food stands at three local horse events/shows. At our June Dairy Month meeting - we will be talking about dairy products and thinking about the farmers by creating Ice cream sundaes. One rule - no limit to your creation but - you must eat what you make - never had an issue. Now that school is out - we are starting our Ceramics project with each of the members working on 2-3 items, glazed, under glazed, decaled, and dry brushed items. We go to Algoma and Shawano ceramic shops for greenware - bring back lots of dragons, plates, mugs, horses, bears, a few rabbits and vases. We are going to try air brushing this year - wish me luck.... Members are working on other projects and most have their garden items planted, (for sure Prize winning pumpkins) chickens hatched and photo's being taken.

Cookie Baking hint - Parchment paper on cookie sheets can be used many times - take care and you can use at least 25 times or more- cookies slide right off. We used three sheets at Christmas for 4-H cookies and baked over 240 cookies - Try next time -I haven't washed a messy/crumblly cookie sheet in years.....

One last note: Alice Daul - who passed away in May - was a great supporter of the county 4-H program and to the youth and leaders in the Rockland 4-H club. She will be missed.

**Legal Notice:** Effective June 1, 2016, unless otherwise required by statute, all legal notices (i.e. agendas) will be posted at the Town Hall and on the Town's website at: [www.townofrockland.org](http://www.townofrockland.org).
