Public Comment

Bob Gerbers stated that at the top of the ridge on Ledge Crest there is a major pothole. The blacktop is breaking up on Old Ledge Drive and washing out on the sides of the roadway.

Alan spoke with Kevin Derenne, and it appears they are at an impasse. Derenne would like the Town Board to meet with him. Chairman Cashman indicated he'd call a meeting with him.

Mary Van Dyck informed the board that the UW Extension has been sold. They are intending to build a new site but that won't likely be ready until 2019. In the meanwhile, 4-H and other groups are scrambling to find different meeting space. Mary would like to know what arrangements can be made at the Town Hall if any to accommodate.

Cash Flow Analysis

Clerk Koenig reviewed the cash flow report for April, noting a few items, but nothing out of the norm.

M/M by Chairman Cashman to approve checks #9921-9932 for a total of \$14,360.48 with no voided checks and no online payments; seconded by Supervisor Matt Meeuwsen. Motion carried.
